

Most important areas and tasks

ACTIVATION	MEMBERS	COMMUNICATION	PUBLICITY	COOPERATION	BROTHERHOOD	STUDY
Interesting lectures and planning activities together	To pay attention to attitudes and how members may contribute	To improve communication means and skills	Right channels and good translations	Between countries and lodges	The aspect of sharing	What and how
Invite possible leaders to the centre	Attitude: -Every member is important	Nordic website: Sections generally, activities, TS in general, events, articles, pictures, towns in map...	It's important that we have ts-books in our own language. - translators are needed	2007 follow-up in connection with the Congress	Brotherhood is a state of mind -> it cannot be given	Meditation before every lodge meeting/study group
Inviting to information meeting (locally)	Lodge: -openness -ability to solve problems -family atmosphere	Training in lecturing techniques	Publishing books is needed, when people are seeking deeper knowledge		Theosophy is servicing, we have to find out new (and old) jobs in our lodge	Inquiring mind
Planning activities together	Teaching: -within the lodge -appreciation -lecturing/small talks	Leadership skills	Find out the ways and channels - libraries - bookshops		Workshops between lodges/ares/countries	Self-knowledge
Invite external lecturers	Communication skills -rethoric -body language -personal touch	Group techniques			You can share brotherhood by loving	Different study levels
